

Q BOV Intake Manifold Atmospheric Vent

Blow Off Valve
(Q)

Throttle Body

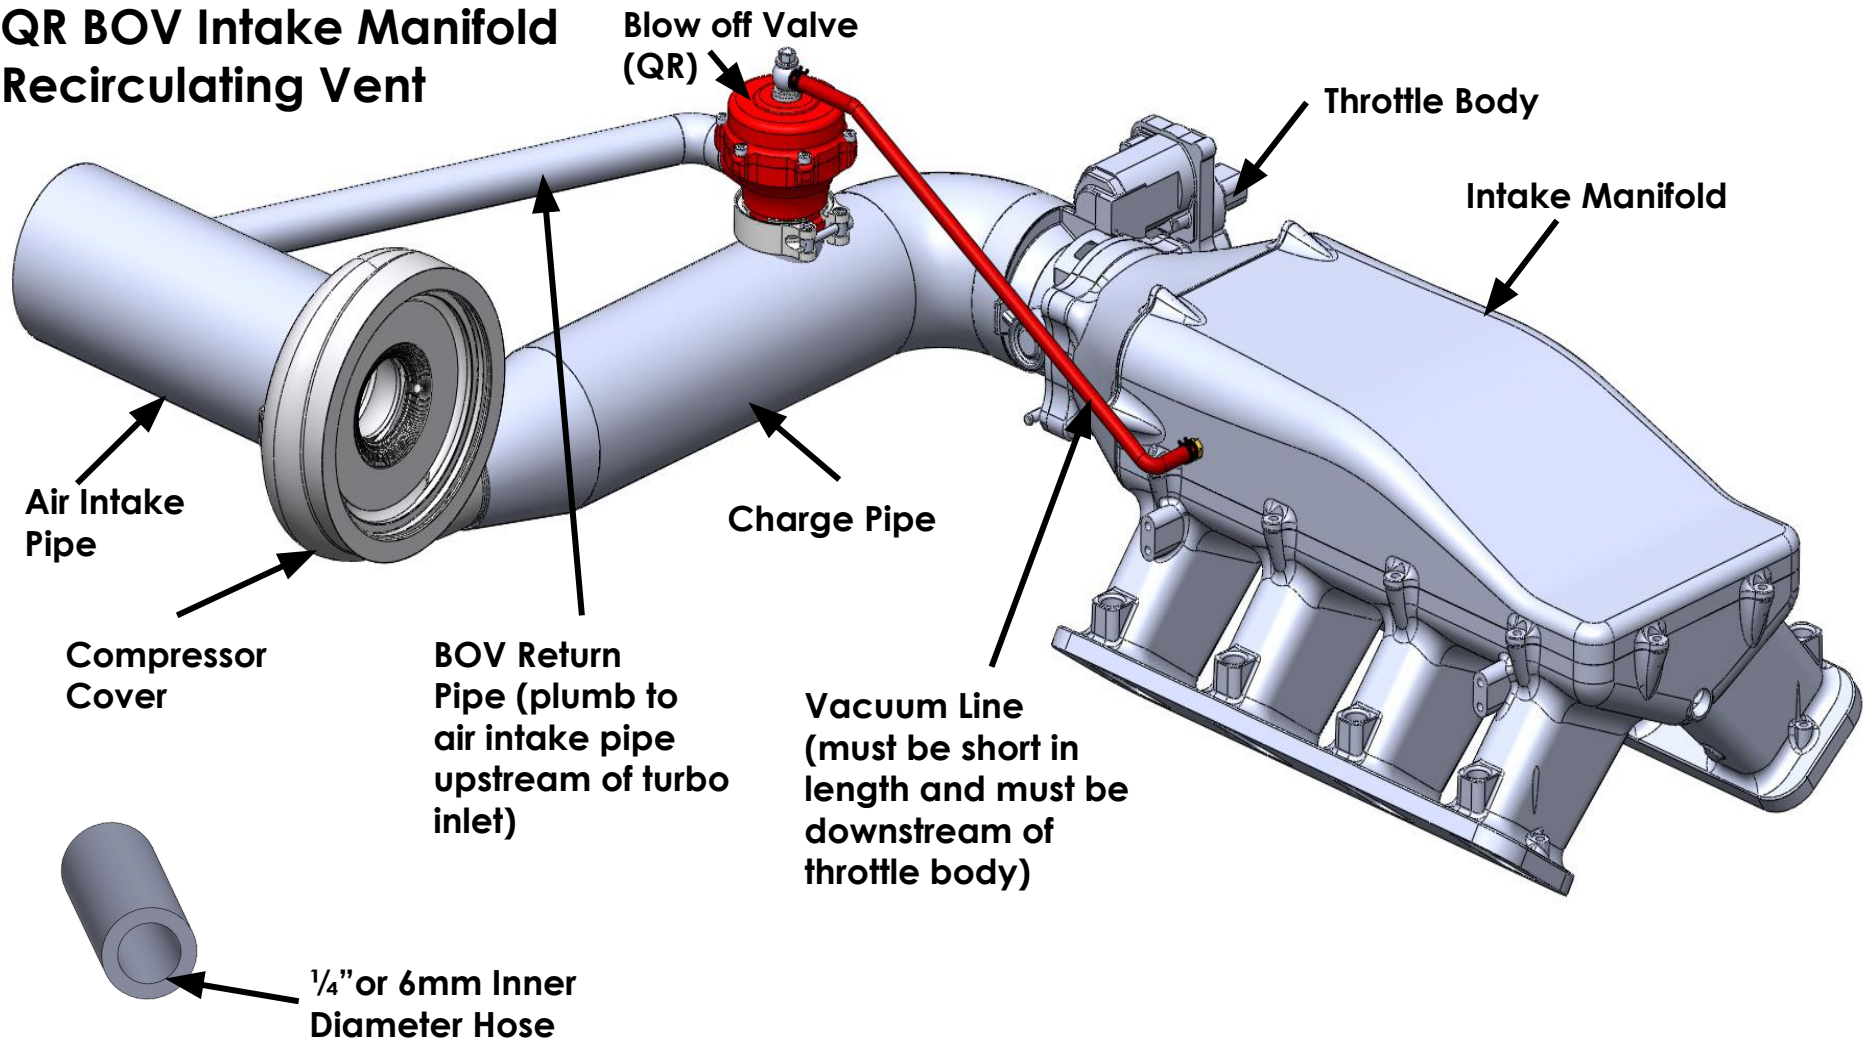

Intake Manifold

Charge Pipe

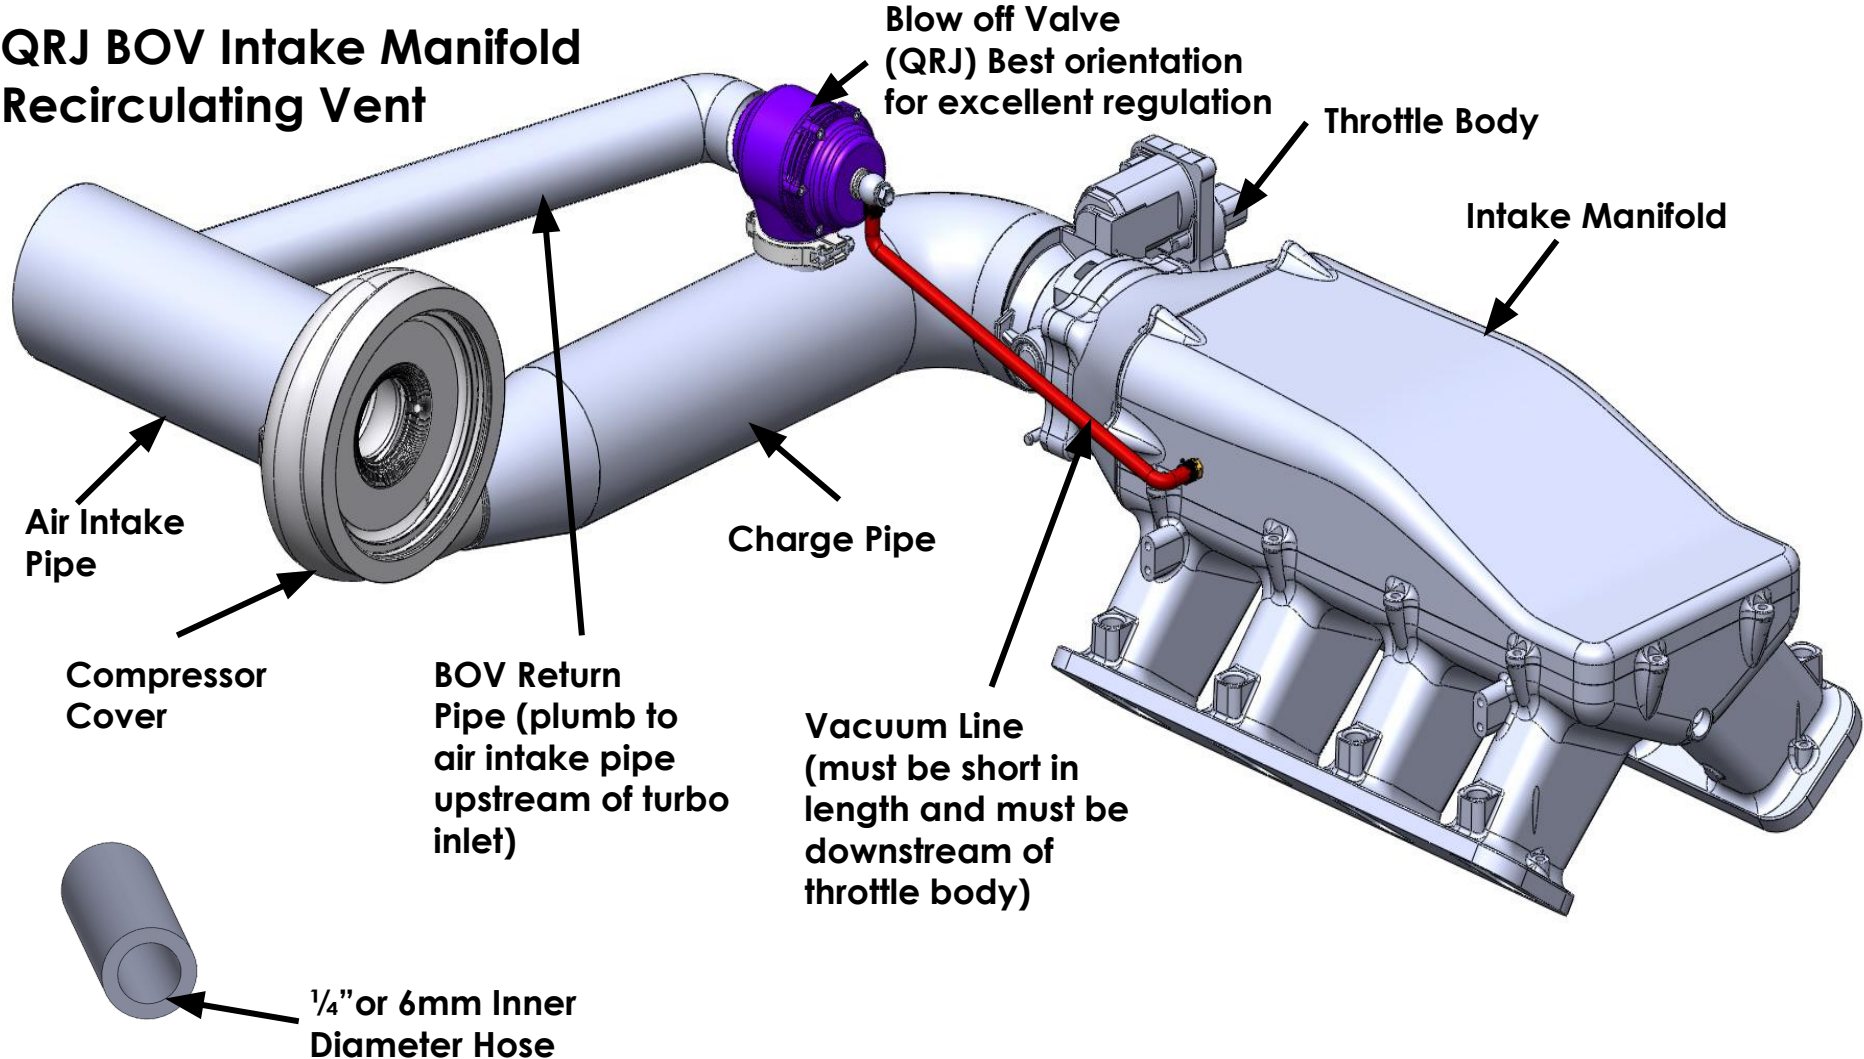

Vacuum Line
(must be short in
length and must be
downstream of
throttle body)

1/4" or 6mm Inner
Diameter Hose

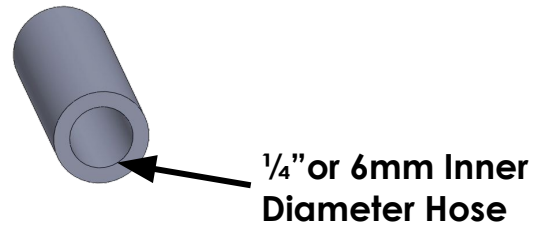

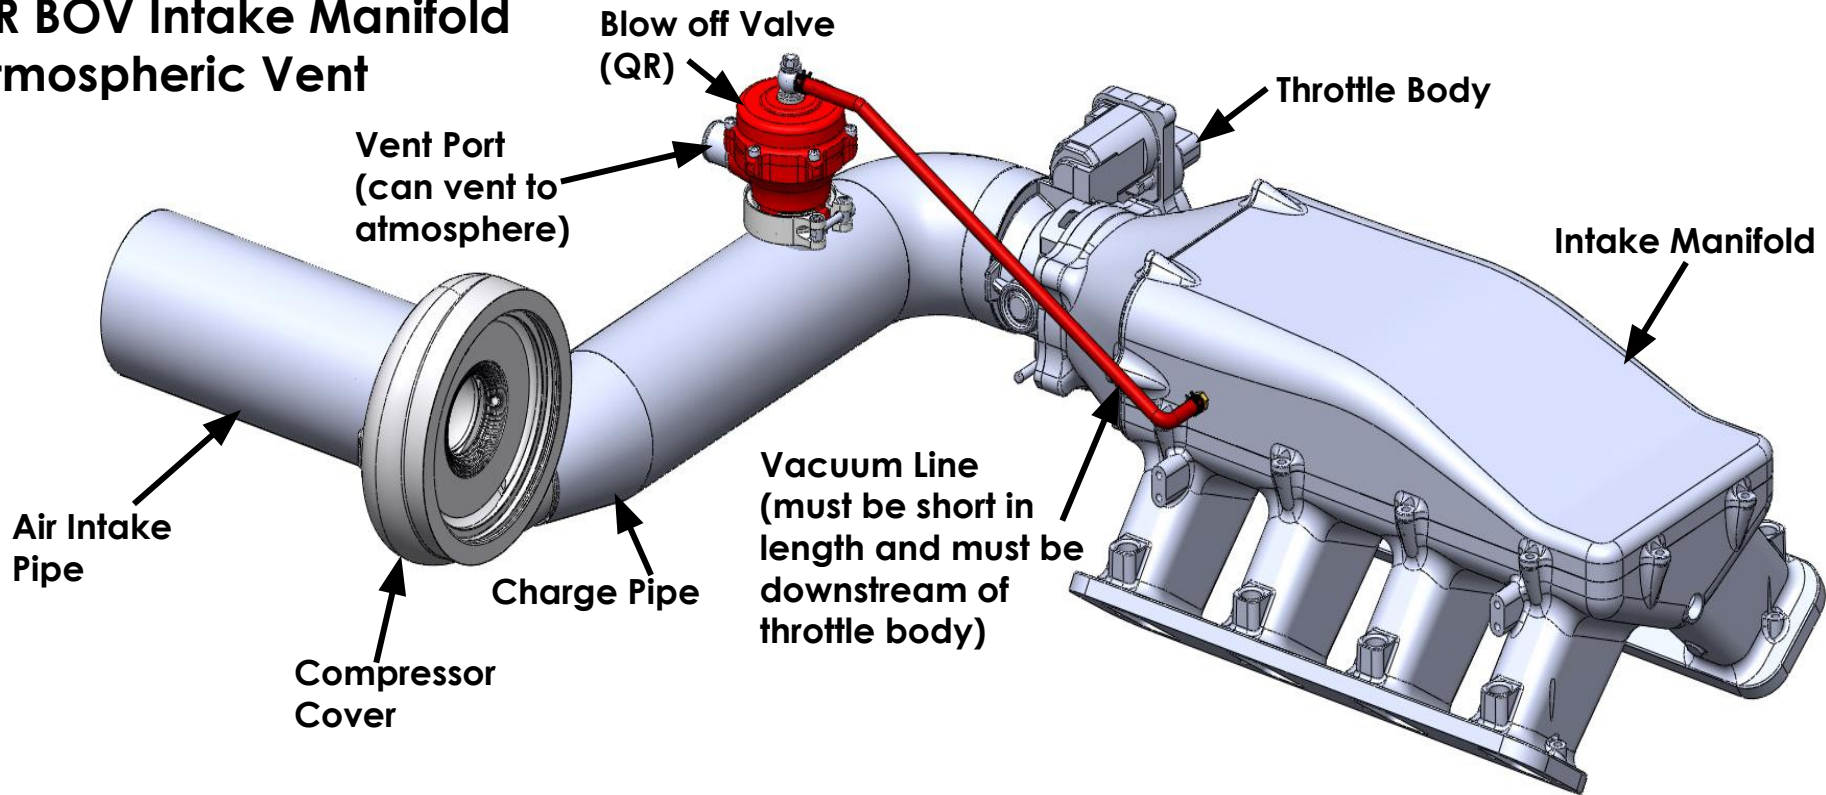

QR BOV Intake Manifold Recirculating Vent

QRJ BOV Intake Manifold Recirculating Vent

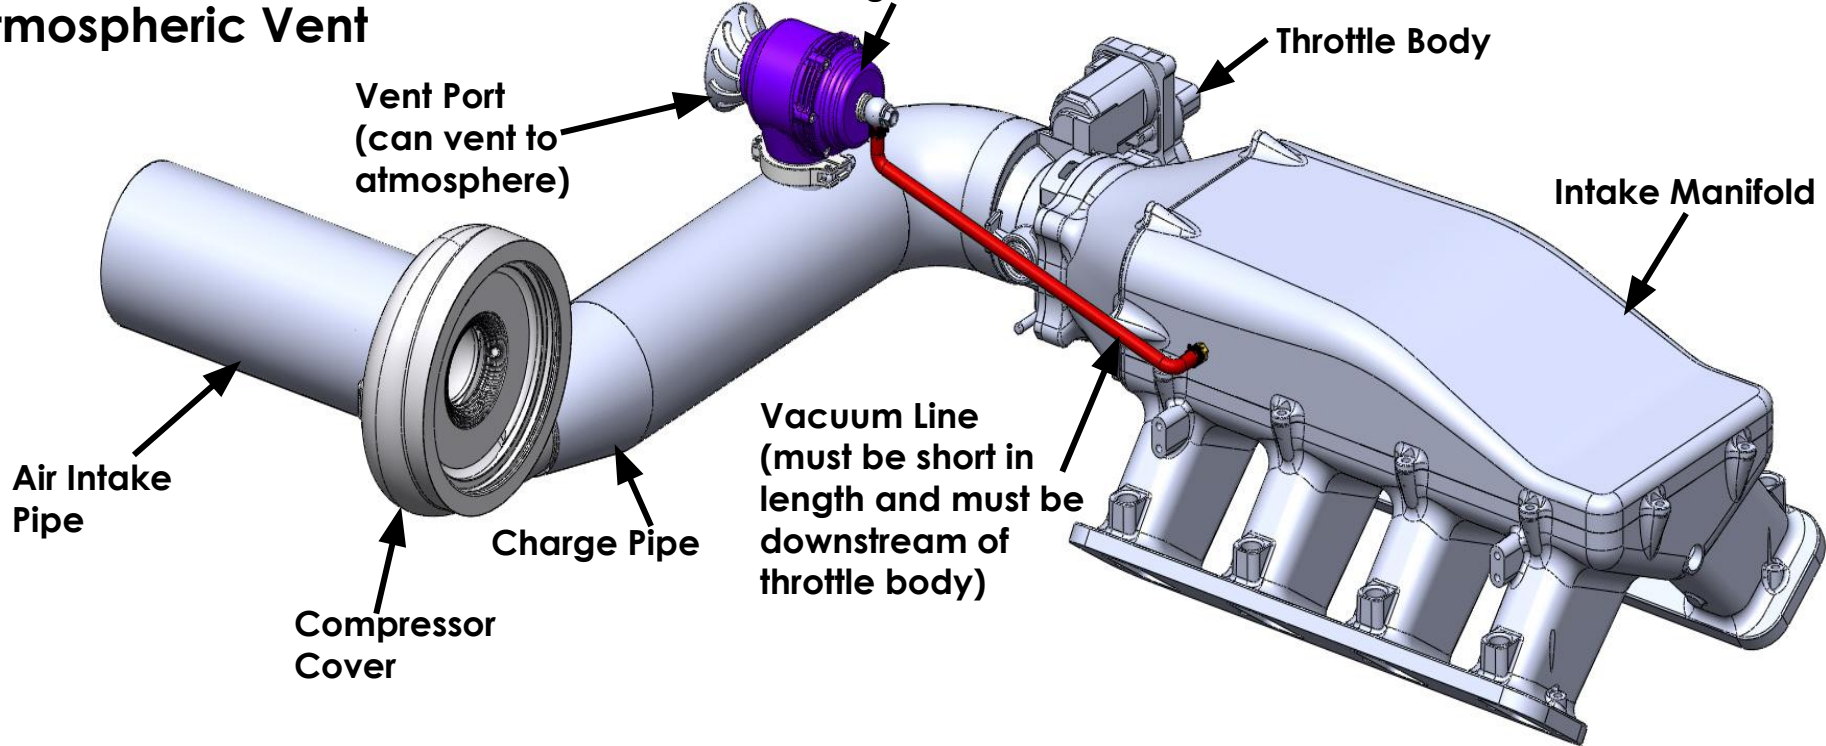

QR BOV Intake Manifold Atmospheric Vent

QRJ BOV Intake Manifold Atmospheric Vent

Blow off Valve (QRJ) Best orientation for excellent regulation

Vent Port
(can vent to atmosphere)

Throttle Body

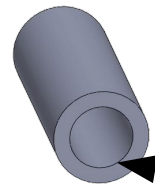

Intake Manifold

Air Intake Pipe

Charge Pipe

Vacuum Line
(must be short in length and must be downstream of throttle body)

Compressor Cover

1/4" or 6mm Inner Diameter Hose
